

17th Annual LBRN Meeting - 2019

Keynote Talk - January 18th, 2019 – 5:00 to 5:30 PM
IDeA Program and Community: Priorities and Opportunities

Ming Lei, Ph. D.

Director

Division for Research Capacity Building

National Institute of General Medical Sciences

Ming Lei, Ph.D., is Director of the Division for Research Capacity Building. He oversees the Institute's capacity-building programs, which include the Institutional Development Award (IDeA), Support of Competitive Research (SCORE), and Native American Research Centers for Health (NARCH), as well as the Science Education Partnerships Awards (SEPA).

Dr. Lei joined NIGMS in 2018 from the National Cancer Institute (NCI), where he was deputy director of the Center for Cancer Training and chief of the Cancer Training Branch. Prior to joining NCI as a program director in 2008, Lei was leader of the Genes and Genome Cluster in the Division of Molecular and Cellular Biosciences at the National Science Foundation from 2006-2008
